INSINGER GILISSEN
A QUINTET PRIVATE BANK

**Daily statistics on availability and performance of InsingerGilissen's dedicated interface and its online payment channels**

**Note:**
*InsingerGilissen does not envision to make any adaptations to the eBanking and mijn.insingergilissen.nl interfaces and therefore is not able to identify when a third party provider logs into the Client's InsingerGilissen bank account. As a consequence the daily average time per request for PIS and AIS cannot be calculated for these interfaces.
**The mobile application does not support third party provider access and therefore does not support AIS and PIS functionality.
***No statistics are available for colum Error response rate, Daily average time per request - AIS, Daily average time per request -CAF, Daily average time per request - PIS (Scheduled) SEPA credit transfer, Daily average time per request - PIS periodic SEPA credit transfer, because the PSD2 API has not been used during this period.
